COMMISSION ACTION:  Kapstone owns and operates a steam cogeneration facility at its mill in North Charleston, which Kapstone intends to use to be its primary supplier of electric energy. However, Kapstone lacks sufficient capacity to meet all of its electric needs under all conditions. Therefore, under the Agreement SCE&G will act as a secondary backup supplier of energy. ORS supports the Company's Agreement with Kapstone and has no objection to the request for confidential treatment of certain provisions in the Agreement.  Therefore, I move we grant the Request for Approval of Retail Power Sale Agreement with Kapstone Charleston Kraft LLC and South Carolina Electric & Gas Company, along with the Request for Confidential Treatment of the Contract.
